

Let's Talk About Symbiosis

PROGRAM: Nov 14, 2018 09:20-16:00
Seminar room DoME (2.309), UZA I
University of Vienna, Althanstrasse 14

9:20 - 9:40 Coffee & Snacks

9:40 - 9:50 Opening remarks

Session 1: chair Anton STRUNOV

9:50 - 10:20 **Tamara HALTER**
'Diversity of natural populations of environmental chlamydiae: The case of Rhabdochlamydia porcellionis'

10:20 - 10:50 **Lena KÖNIG**
'Metabolic basis of the Laxus-Thiosymbion symbiosis: an RNA-Seq approach'

10:50 - 11:20 **Franziska BAUCHINGER**
'A stable functional potential vs high individuality of transcriptional profiles in the human gut microbiome'

11:20 - 11:50 Coffee Break

Session 2: chair Lena KÖNIG

11:50 - 12:20 **Anton STRUNOV**
'Stem cell passengers: Wolbachia bacteria journey through Drosophila development'

12:20 - 12:50 **Tjorven HINZKE**
'Host-symbiont interactions in the Riftia chemosynthetic model symbiosis'

12:50 - 14:20 Lunch break at 'Jasmin Al Sham'

Session 3: chair Benedict YUEN

14:20 - 14:50 **Philipp WEBER**
'Chromosome segregation in animal-attached bacteria'

14:50 - 15:00 Walk to Hörsaal 2, UZA I for PhD Defence Talk

15:00 - 16:00 **Andrea SÖLLINGER**
'Physiological & Ecological Characterisation of Methanomassiliicoccales'

Drinks @ DoME
